2.2 Number of outgoing / final year students year-wise during last five years

Findings of DVV:

Provide annual report showing the appeared final year students in different programs during the assessment period for the year for the year 2015-16, 2016-17, 2017-18, 2018-19 and 2019-20 signed by controller of examination.

Response of HEI:

- As per the DVV requirement we have provided the COE reports for the years 2015-16, 2016-17, 2017-18, 2018-19 and 2019-20 signed by controller of examination.
- The COE report only mentions the Bachelors and Masters students who have appeared for the final semester exams. The Numbers given in the template of the extended profile also include the Doctoral Degree students.
- The numbers given in the COE report will not match the numbers of Outgoing students mentioned in the extended profile (#2.2) as the COE report only includes students who have appeared for the final semester exams in that academic year.
- The Number of Outgoing students includes students who had not passed one or more of the earlier semesters but had cleared the final semester and hence were not eligible for the final degree till all the backlog was cleared.
- In 2019-20 all students with backlogs in earlier semesters, who had applied for the additional exam were passed (mandate from the Government of Maharashtra and the University of Mumbai).
