2.3 Number of students appeared in the examination conducted by the Institution, year-wise during the last five years

Findings of DVV:

Provide report of controller of examiner showing the number of students appeared in the university examination year-wise and program wise during the assessment period for the year 2014-15, 2015-16, 2016-17, 2017-18 and 2018-19.

Response of HEI:

As per the DVV requirement we have attached

- Reports of the COE for the years 2015-16, 2016-17, 2017-18, 2018-19, 2019-20. The DVV has requested data for the year 2014-15 but our assessment period is from 2015-16. Results for each year are declared before the end of the Academic year. Hence as results of 2014-15 were declared in April 2015 they have not been attached.
- The criterion mentions students appeared in the examinations conducted by the institute and we have given the data of all students appearing in all semesters. The COE reports only state the number of students appearing in the final semester. The data of students appeared is as follows:
2019-20 = 3783, 2018-19 = 3696, 2017-18 = 3840,
2016-17 = 3747, 2015-16 = 3842
