

ST. XAVIER'S COLLEGE
(AUTONOMOUS)
5, Mahapalika Marg, Mumbai - 400 001,
INDIA.
☎ 2262 0661/65

Criterion I

1.3.2: Number of value-added courses for imparting transferable and life skills offered during last five years

Findings of DVV:

Provide Document showing the experimental learning through project work/field work/internship as prescribed by the affiliating university / affiliating university curriculum. Provide Minutes of the Boards of Studies/ Academic Council meetings with approvals for these

Response of HEI:

As per the manual and SOP prescribed for autonomous colleges the metric ID 1.3.2 deals with number of value-added courses offered by the institute. We had offered the proofs as per the SOP for autonomous college during the SSR submission. However, the DVV findings are related to experiential learning and its curriculum as prescribed by affiliating university.

St. Xavier's College being an autonomous college, affiliated to University of Mumbai has designed its curriculum under the provisions of autonomy as prescribed by UGC. Experiential Learning is integral to all programmes and has been dealt with in detail under metric 2.3.1.

We have been offering value added courses through the honours-programme, in addition to the few certificate and diploma courses which our students take benefit of.

Although, the DVV query is not related to the original description of this metric as per SOP for autonomous colleges, we have provided links to the following, in the document attached:

Part 1: Supporting documents as per DVV-Experiential Learning

- Document showcasing experiential learning implemented through project based learning, field visit and other pedagogies in the college.
- BoS minutes of all Programmes
- Curriculum (Syllabi) of courses prescribing experimental learning through project work/field work/internship

Part 2: Supporting documents as per manual and SOP for autonomous college -Value Added Course

- The list of Value added courses imparting transferable and life skills.
- Brochures of the value added courses.
- Course content of the value added courses.

NAAC SSR Cycle 4 (2015-2020):
