

To Whomsoever It May Concern

This is to certify that Aadarsh Lal has completed a 2-month internship programme with our company, Sports & Entertainment Development LLP. During the internship period, he worked on activities related to the company's brand, The Fan Garage (TFG), from 15th April to 15th June 2019.

His work included tracking of data connected with fantasy games and analyzing the data to derive relevant patterns. He had to collect data on different contests on various fantasy sports websites, collate them, and then mine the data to obtain the desired reports.

Aadarsh is hard-working and diligent, as well as a great team player. He adheres to deadlines and pays attention to details, which is very essential while dealing with large volumes of data. We were very pleased to have Aadarsh intern with us, and value the work he did during his stint here.

We wish Aadarsh the very best in all his future endeavours!
