Social Work in Criminal Justice

To Whom It May Concern

This is to certify that Ms. Anandita Dulloo, a student of St. Xavier's Autonomous College, Mumbai, has interned with Prayas, a Field Action Project of the Centre for Criminology and Justice, Tata Institute of Social Sciences, from 1st April 2019 to 31st May 2019. Prayas' focus is on providing socio-legal and rehabilitation services to socio-economically vulnerable individuals and groups being processed by the Criminal Justice system.

Ms. Dulloo was placed under our social workers at Thane Central Prison and Kalyan District Prison, where she shadowed our social worker with whom she paid prison visits, home visits and NGO visits. Her work included visits to various NGOs, shelter homes for children and government organizations in Mumbai. She was involved in processes of reporting and documentation and helped consolidate and analyze data collected from 6 prisons that Prayas works with: Mumbai Central Prison, Byculla District Prison, Thane Central Prison, Kalyan District Prison, Talaja Central Prison and Latur District Prison. She was introduced to social work intervention processes, research and documentation and attended a training session that dealt with socio-legal interventions in the criminal justice system.

Ms. Dulloo was sincere and worked with commitment during her internship with Prayas. She was a keen learner and worked well with our team. We wish Ms. Dulloo all the best in her future endeavors.
