To Whomsoever It May Concern

This is a note of appreciation for Ms. Anushka Ashish Kawale for the invaluable assistance rendered by her to my research student Mr. Amol R. Handore on a Ph.D. project entitled "**Study of Community based conservation and physicochemical factors influencing nesting behavior of Olive Ridley turtles (*Lepidochelys olivacea*) in Ratnagiri District.**" She has helped for the fieldwork of the project for 10 days from 23rd December 2019 to 1st January 2020.

The work included beach profiling of 11 study beaches of Dapoli division, Ratnagiri district using line transect method, quadrat method for assessing non bio degradable waste spread. She also assisted in the turtle nest temperature data logger study carried out at 6 study beaches.

I would also like to appreciate the sincerity and dedication towards all the tasks assigned to her during entire stay. She is well equipped with basic fieldwork knowledge and use of equipment's. I hereby like to thank her for all the hard work she did during her stay for the fieldwork. I wish her all the best wishes for the future endeavors' she wish to undertake and highly recommend her for any future wildlife conservation she wish to undertake in near future.

Sincere Regards,

Dr. R.N. Bhavare
