**Dr. D. C. Deka** M.Sc., M.Tech., Ph.D., DTIT, D.Sc., FRSC  
Professor

Ref. No.:

May 4, 2019

### *To whom it may concern*

This is to certify that **Ms. Daizy Kalita**, who is presently pursuing her B.Sc. in St. Xavier's College (Autonomous) Mumbai, joined my research group as a summer intern in the Department of Chemistry, Gauhati University on **5<sup>th</sup> of April 2019** and continued till **4<sup>th</sup> of May 2019**. During this period she was trained on preparation of thin layer chromatography and its application as a separation technique in chemistry. She has also submitted a project report and gave a power point presentation on "**Basic Laboratory Techniques: Thin Layer Chromatography**" in the presence of my Research Group. As a student I found **Ms. Daizy** an ambitious and hard-working student. She has good communication skill and can easily accommodate herself in a group of research students. She is amiable by nature.

I wish Ms. Daizy Kalita success in life.

  
(D. C. Deka) 4/5/2019

**Dr. Dibakar Chandra Deka**  
Professor  
Department of Chemistry  
Gauhati University, Guwahati - 781 014
