To Whomsoever It May Concern

It is my pleasure to testify about Ms. Jewel Carvalho who has been working with Sharada Tutorial since October 2018 to present day, in capacity as a Tutor. She was on leave from May 2019 to July 2019 due to her leg injury which rendered her unable to walk for the given period ,but otherwise I am pleased to say that she has worked hard with commitment. She has been assigned with the following responsibilities:

- Preparing lesson plans and employing different teaching methods, incorporating, audio and visual activities to address all learning styles.
- Providing individualized attention to keep all students at expected skill level.
- Developing discipline plans and work closely with at-risk students.

I find her proactive in whatever task I assign her. She is a confident person who is professionally sound, hard-working and a devoted worker. She has a genial temperament and can efficiently work in a team. She has the motivation to take initiatives and has been a beneficial addition towards the success of Sharada Tutorial.

I wish her all the best in all her future endeavours.
