Certificate of Internship

This is to state that Mr. Mathew Salazar, undergraduate student at the Department of Microbiology, St. Xavier's College, Mumbai worked as an intern in the DBT-ICT Centre for Energy Biosciences under my guidance from January 1, 2018 to June 30, 2018.

Mathew contributed to the project 'Isolation of methanotrophs from paddy fields and municipal dumping grounds' during his internship.

During his time in the lab, Mathew was exposed to a number of microbiology and chemistry techniques, including setting up an anaerobic digester, gas fermentation and gas chromatography-mass spectrometry.
