

## To whom so ever it may concern

This is to certify that **Miss Mayuri Chavan** was interning with us for the project: **Study of the relationship between average length and sex of the Blacktip shark (*Carcharhinus limbatus*), Graceful shark (*Carcharhinus amblyrhynchoides*) and Spottail shark (*Carcharhinus sorrah*) caught at Sassoon docks** at Sassoon dock, Mumbai. During his tenure we found her hardworking and intelligent.

We wish her all the best in her future endeavours

Mayuresh Gangal

Principle Investigator
