TO WHOM THIS MAY CONCERN

Neeva Phatarphekar has been a student of Speech and Drama with me for the last five years. Over the last three years, she has been able to teach younger students, and it is evident that she excels in whatever she undertakes to do.

I am aware of her College programme, BMM that she perused over the last three years in St. Xavier's College, Fort, Mumbai. She has been extremely focused with her work and displays commitment. In addition, in her own words, "I cannot miss my lectures. MY assignments have to be on time. I need to give it my best shot."

I find Neeva very focused, creative, loyal and hardworking. Neeva is a good writer too. On many occasions, she has written for my students.

I recommend Neeva for any Scholarship she may apply for. With her commitment, zest and focus she is bound to prove worthy.
