NABL Accredited Laboratory - Cert: No: M 0728

May 24, 2019

TO WHOM IT MAY CONCERN

This is to state that Ms. Pranita Shinde, 2nd year B.Sc. (Microbiology) student at the Department of Microbiology, St. Xavier's College, Mumbai, competed her Observership at the Department of Clinical Microbiology, at Christian Medical College, Vellore, Tamil Nadu from 13th May 2019 to 24th May 2019.

During this period, she was exposed to various techniques of media preparation, isolation and identification of microorganisms, antibiotic susceptibility testing including minimum inhibitory concentration, DNA extraction, PCR for AMR genes, agarose gel preparation and gel running and documentation of microbiological diagnostic tests done in the clinical microbiology laboratory.

She was a enthusiastic learner and got along well with laboratory staff.

Wishing her all the best for her future endeavors

Dr. Joy S Michael
Professor & Head

Dr. Joy Sarojini Michael, MD FRC Path
Professor & Head
