To whomsoever it may concern

This is to certify that Miss Parthana Kuttakar, has done internship with me, Teena Kaur, National Award Winning Filmmaker & Producer Green Earth Pictures, Mumbai. She researched on a documentary film being made on Breast Cancer. She researched under my supervision at her place (long distance) with due diligence, sincerity and hard work. I found her attitude professional and I think she has a bright future if she is persistent in her efforts.
