TO WHOM SO EVER IT MAY CONCERN

This is to certify that Mr. Rhys Jordan Pereira, has worked as an intern in the Phytopathology Laboratory of our R&D Centre in Thane under the guidance of Dr. Sandeep Patil. He worked from 2nd May, 2019 to the 31st May, 2019.

During the internship, he has worked on a project related to isolation and identification of agriculturally important microorganisms from a rhizosphere soil sample based on different microbiological techniques.

Thanking you
