### Internship completion certificate

This is to certify that Miss.Saily Mangesh Kamble has completed 30 days internship at Infexn Laboratories Pvt. Ltd. from May 01,2019 to May 30,2019 in the areas of Molecular diagnostics and Microbiology comprising Bacteriology and Mycology.

She is adept in routine laboratory procedures like specimen processing and reporting as well as microscopy. She is aware about different automated instruments like BD Bactec, BD Phoenix 100 used in the laboratory. She is given a detailed idea regarding NABL assessments, Quality assurance and Quality control.

In the department of Molecular diagnostics, she has observed the specimen run in a closed Real Time PCR setup.

Her performance has been satisfactory and her conduct has been good.

Dr.Mukti Dave

HOD Microbiology,

Infexn Laboratories Pvt. Ltd.

Thane.
