

### Letter of Recommendation

I gladly write this letter of recommendation for Ms. Sakshi Karande as an intern for Kyoorius Communications Pvt. Ltd. in the months of April & May 2019. As a Director of the company I had the pleasure of overseeing and working with Sakshi on a variety of activities.

Sakshi quickly exceeded our expectations by working at a professional level. She worked across three properties - Kyoorius Creative Awards 2019, Zee MELT 2019 and Star Re.Imagine Awards, Her roles were as under:

- Assisted on video production for Creative Picks and Melt In A Minute for ReadyToMelt and post-event videos for Zee MELT 2019. This included learning how to operate a DSLR camera, tripod, lapel mic, and iPad as a teleprompter device. Helped scope locations and setup frames, direct shoots, interview speakers, and assist on post production.
- Beta-testing Kyoorius website properties including awards.kyoorius.com and zeemelt.com.
- KCA 2019 | Jury Admin. As jury admin, handled approving / processing entries and lead the advertising jury through the judging process.
- KCA 2019 Awards Night | Assisted in creating content for the screen and website.
- Star Re.Imagine Awards | Jury Help: As jury help, created entries, maintained an entry log, and helped the jury with the judging process.
- Zee MELT 2019: Creation of varied assets across digital media, including mailers, social media posts, and website content | Ran and managed Kyoorius social media handles.

Sakshi is a quick learner and also knows how to adapt to stressful situations. She has a hunger for knowledge and is determined. Sakshi's politeness is an asset that makes it a delight to work with her. I am quite impressed with this remarkable girl and give her my strongest recommendation.

Please feel free to contact me if you need additional information or perspective.

Sincerely,

Nupur Kejriwal
