Subject: Evaluation of Internship

Respected Sir/ Madam,

We are hereby pleased to inform you that Ms. Shazia Bandukwala, a student of your esteemed college, having UID No 172384, has completed an internship with our firm "Ansons Electro Mechanical Works", from 12/5/2019 to 5/6/2019.

During the course of the internship, she has been instrumental in the organization of 5S Quality System Trainings, as well as the implementation of the 1S Quality System in the factory.

Apart from the above, she has also worked on streamlining the purchase finance queries at the plant, and has worked hard to eliminate the back log on such matters.

Her commitment to the internship, combined with her positive outlook has allowed her to positively contribute to the firm during her internship period.

We look forward to having her intern with us again in the future as well.

Thanks and Regards
