To whomsoever it may concern

This is to certify that Ms. Vanessa D'Souza has successfully completed her internship from 11<sup>th</sup> April, 2019 to 24<sup>th</sup> May, 2019 with the Volunteer Action dept. at CRY Child Rights and You, Mumbai.

During the period of her internship Vanessa worked on the following assignments:

- Managed the entire Internship Program singly handedly for 7 weeks (From taking telephonic interview to hiring an intern)
- Helped in pre planning and executing the Election advocacy campaign
- Helped in organizing the volunteer orientation program

Vanessa is a quick learner and clearly comprehended her tasks and what was required of her. She was open and able to take on a diverse set of responsibilities. She showed good communication skills. She would be a great asset to any organization with her proactive and go-getter attitude. We trust that this internship has helped her develop an understanding on issues pertaining to children and child rights in India.

We hope Vanessa will continue to keep in touch with CRY and will always be an ardent advocate for Child Rights.

We wish her all the best for her future endeavors.
