

“बेटी बचाओ - बेटी पढ़ाओ”

- A Unit of NFWCHPL

NEELKANTH

Fertility & Women Care Hospital

“Realizing the dream of motherhood”

Certificate of Training

(ANDROLOGY)

(Duration: 19th OCT. 2019- 11th Nov. 2019)

Topic: Semen Analysis

At: Neelkanth Fertility & Women Care Hospital, Udaipur

This is to certify that

Miss. Divreena Talwar

Successfully completed the above training program from Neelkanth Hospital, Udaipur in Andrology Department. During this training she learned Complete Semen Analysis including Concentration, Motility, Morphology, Vitality, Fructose test, and HOS test, DNA fragmentation Index and IUI Process with full dedication. We observed that the candidate is hard working in nature & sincere during the training period & wish her for better prospects in studies as well as career.
