Shodhganga

Shodhganga: a reservoir of Indian theses is a digital repository of theses and dissertations submitted to Indian universities. The Shodhganga repository was created consequent on the University Grants Commission making it mandatory through regulations issued in June 2009 for all universities to submit soft copies of PhD theses and M.Phil dissertations to the UGC for hosting in the INFLIBNET.

Shodhganga : a reservoir of Indian theses @ INFLIBNET

The Shodhganga@INFLIBNET Centre provides a platform for research students to deposit their Ph.D. theses and make it available to the entire scholarly community in open access. [Shodhganga Mirror Site](#)
