The students who attended were also part of the Junior College. They were happy (largely) with the college despite the anticipated busy schedules. They are still coping with various activities - managing time & balancing extra/co-curricular activities & academics. One of the grounds they had was the large gaps between classes. Despite being in the library, they felt it was still an inordinately long waiting period. They also sought for options to air their grievances regarding some subjects that they found were inadequately administered.

Mentoring Programme for the Department of Statistics (2019-20)

- Mentoring was undertaken by our Department only for BSc students.
- Batches for mentoring were planned based on the Professors in-charge of Practicals.
- The Department unanimously decided to utilize the continuous lectures available during Practical sessions to devote some time to address common issues/problems that students deal with.
- Students were informed that they could discuss issues of concern/worry at these sessions collectively or by meeting the teachers individually by appointment.
- Staff members were instructed to only listen to the students concerns and if need be, direct them to the Counselling/Wellness Centre as we are not trained counsellors.
- Each class of students was divided into groups as follows:

Class (Semester)	Prof(s) in charge
FYBSc (Sems 1 & 2)	Ms. Myrtle Fernandes Ms. Ayesha Dias
SYBSc (Sem 3)	Ms. Myrtle Fernandes Mr. Saju George Ms. Piyali Unnikrishnan
SYBSc (Sem 4)	Mr. Saju George Ms. Piyali Unnikrishnan Mr. Mayur More
TYBSc (Sem 5)	Ms. Pooja Ochaney Dr. S. Annapurna Mr. Saju George Ms. Piyali Unnikrishnan
TYBSc (Sem 6)	Ms. Myrtle Fernandes Ms. Pooja Ochaney Ms. Ayesha Dias Dr. S. Annapurna

- During the annual Department seminars at Khandala, a special session was always conducted to enable students to have an opportunity to express themselves and voice their concerns and apprehensions.
- Students who were doing well in class were given charge of students who were not faring so well academically.

Quarantation Students (especially FYBSc students) were identified and special care was taken to facilitate their well-being.
