## Controller of Examinations Report for the Academic Year 2019-20

St. Xavier's College, Mumbai has completed the exams and declared results for the Academic year 2019-20. This year was unique as the College did not conduct even semester exams for the Academic Year 2019-20 due to COVID-19. The Government of Maharashtra and UGC guidelines stipulated certain rules for passing and promotion of students and in accordance with the same, passing and promotion guidelines were formulated by the University of Mumbai. The college adhered to these guidelines by the University of Mumbai and as a result, students from semesters 2 and 4 were promoted.

As per the Court ruling and following the rules and instructions from the UGC, Government of Maharashtra and University of Mumbai the final year (Semester 6 – UG and Semester 4 - PG) exams were conducted in October 2020 via online examination using Google Forms.

St. Xavier's College uses a software called PEDIGREE provided by Silvodel Solutions. This software is used by all teachers to enter the marks of the Internal and End Semester Exams. The software then processes the Marksheets and then the marksheets are generated from the system. The passing reports and data too is generated from this system.
