Dear Milloni,

First of all, thanks for showing interest in HT Media. Post all our discussion, we would like to take this forward and extend the offer.

Would like to be little upfront in stating what we are proud of - which is - In HT, we offer Career, growth and challenging role. This is not mentioned to sell the offer to you or neither is this a HR gimmick. This is what we strongly believe in. Hence, our request to you is to look at the offer in totality and not just the numbers. I am sure that you will get opportunities in HT to grow fast and continuously and you will not have single attempt then to look back.

Also, please note that the offer mentioned below is basis the internal parity (with HT), the role that we are offering to you and the overall assessment of your profile done during your discussions with our seniors. While we are happy to get talent like you in our Organisation, but we also would like to maintain our internal parity, so that our internal resources and the structure would not get disturbed.

Regarding some of the components mentioned in the break-up, the explanation is as under:

Enterprise Goals Award - will be paid monthly.

Performance Bonus - this is paid half yearly. For the first time, post joining, the employee should have completed atleast 6 months to be eligible for performance bonus pay out. If not, the proportionate amount is paid during the next cycle. This is based on your performance.

Please go through the below offer and confirm the acceptance of same on mail.
