Good Morning,

It gives me great pleasure to share with you that Interactive Avenues would like to extend an offer to the following candidates from your esteemed institution.

1. Sanjana Menon
2. Isnighda Chaturvedi

The total CTC offered would be **3.5 Lakhs per annum** with the designation of "Junior Content Writer" and they would be expected to join once their Third Year examinations are complete. We can discuss a joining date with the candidates at a closer date.

If they accept the offer, they will be expected to commit to Interactive Avenues and not take up an offer from another firm.

In case, Sanjana and / or Isnighda cannot take up our offer, we would like to extend the offer to Cyona Lewis and Ruchita Paul instead.

Interactive Avenues would also like to offer a paid internship to Sanjana and Isnighda in February / March so that they hit the ground running when they join as Jr Content Writers. We understand that college ends at 1pm and in the interest of their development, we will be flexible with their internship timings. We are okay with them reporting after 1pm and they would be required to complete a set of hours we can mutually agree upon. The remuneration for the course of the internship would be **Rs 15000 per month**.

Lastly, Dominic Sir, thank you for giving us an opportunity to connect. It was a wonderful experience interacting with all the students and had headcount not been an issue, we would have picked up all 4 without batting an eyelid. We look forward to making this interaction between Interactive Avenues and your esteemed institution an annual practice.

Looking forward to your response,

Hello Dominic Sir,

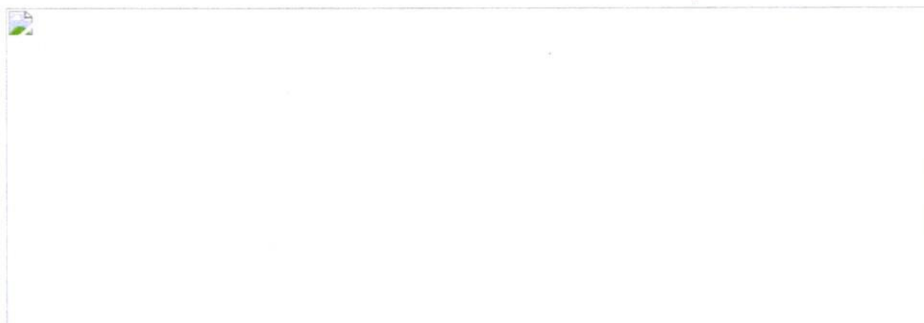

Thank you for your response I have attached the list of students who joined the Fellowship in 2018 we had 10 people selected from St. Xavier's and out of those 5 joined the Fellowship.

The list of 5 students who joined is [here](#)

I am also sharing our Campaign Leader Program mail with you kindly share this mail with your final and pre-final year students it is a really great opportunity for the students.

Dear Students,

My name is Faisal Siddiqui and I currently lead Recruitment for Teach For India in Mumbai.

We are looking to recruit a *pre-final/final year student* from any stream as a **Campaign Leader** from <<College Name>> from August 1st, 2018 to April 1st, 2018. This is a great opportunity for you to build work experience while still at college. Here are some of the reasons why you should join!

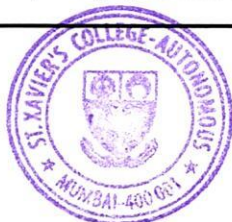

- Building professional skills: Campaign Leaders will get the rare opportunity to receive training from experts and build strong communication, event management, public speaking and problem-solving skills while still at college.
- Performance recognition: We strive to ensure strong performance is recognised and rewarded and as such you will be eligible for rewards where appropriate including cash up to Rs 10,000.
- Building your network: Campaign Leaders will get an opportunity to be a part of the Teach For All Network and connect with Campaign Leaders from across the globe.
- Flexibility: Campaign Leaders benefit from a flexible working system, so with the exception of pre-planned events, you will be able to plan and manage your own time.
- Play a role in fighting the education inequity: Working towards fighting the education inequity is a challenge and being a part of the Teach For India movement will be a great learning experience.

Dear Dominic,

Sending you this message to especially thank you for the process yesterday.
We were very happy with the pool of candidates.

We have already decided on 2 candidates-

1. Mr. Aalap Kulkarni
2. Mr. Md. Aamir Khan

We have informed them informally yesterday. You can go ahead and send them an official confirmation.
We will send an official offer letter to them by early next week.

Also, we are still in the process of evaluating 2 more candidates- Mr. Shardul and Ms. Nirmitee.
We might want to do another round of interview with them at our office. I hope that is okay with you.

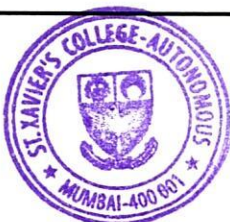

I will keep you updated on our decision by early next week.

Also, a special mention for your student coordinator Shreyas. He was very helpful and proactive throughout the process. Kindly convey our appreciation to him.

Thanks once again for having us as a recruiter at your college. We will surely like to contribute a donation to your placement cell once the candidates join.

Thanks and regards,
Nitisha Sethia
