Important Visa information - Royal Veterinary College

admissions@rvc.ac.uk <admissions@rvc.ac.uk>
To: shimontikagupta@gmail.com

Tue, Mar 2, 2021 at 3:02 PM

Dear Shimontika Gupta,

We are very pleased that you have accepted our offer of a place to join us!

As you will no doubt be aware, UK immigration rules require the RVC to act as your sponsor whilst you are in the UK and that we issue a Certificate of Acceptance of Studies (CAS) to you, to enable you to apply for a student visa.

At the end of this email you will find your CAS statement. This contains your CAS number and the details that we have provided to the UK Visa and Immigration department as part of your application. It is vital that you use the same information in your visa application as provided in the CAS statement, so please check this and **inform us immediately if anything is incorrect.**

You should also **read the attached document** as it provides important information about your CAS statement, the application process and answers to the most commonly asked questions. Please note that on 5 October 2020 Tier 4 (General) immigration permission was re-named Student immigration permission. The document attached refers still refers to Tier 4 in places, but please be aware that there has been a changeover from Tier 4 to Student. All new applications are now under this new Student route. If you can't open the attachment, please find a link to it [here](#). **Please also ensure you carefully read the section on Biometric Residence Permits (BRP) as this is very important for ensuring a smooth enrolment process.**

You will now need to apply for a Student visa, using the information on the CAS statement below. Guidance on the Student Visa can be found at the following link:

[Tier 4 \(General\) student visa information](#)

You should note that visa applications can only be made **within three months of the start of the course** which is . As there are less than 3 months until the start of your course it is important that you apply for your visa as soon as you are able to demonstrate that you meet the financial requirements, otherwise there is a risk your visa will not be issued in time for you to start your course.

IMPORTANT: due to COVID-19 pandemic visa application centres (VAC) in some parts of the world are currently not open. We strongly recommend you check to see if there is a VAC open that is accessible to you. If there is not, we would recommend you do not start your visa application at this time. We are

awaiting guidance from the UK Government as to how applicants who cannot access a VAC should proceed and will update you as soon as we have more information.

Please let us know if you have any problems with your visa application or you require any further information. It would be helpful if you could also let us know when you have submitted your visa application and when your visa has been issued.

Kind regards

The Admissions Team
